Dear Jim:

I wanted to thank you for all the technical & financial assistance you provided to the recently completed projects in the Office of Attorney General and Division of Criminal Investigation. The assistance and guidance you provided to us consumed much of your time over the past few weeks and it is appreciated. Projects like this require a team effort and you were all valuable team members.

The services provided out of this building are critical to the safety of the citizens of South Dakota. Having the ability to deliver quality services will enhance the quality of life for all of us.

Again, many thanks.

Very truly yours,
